

instructions:

1. print guide to 100%.
2. cut along bottom border and cut out tab sizing guide.

5 cm

match your ruler here to ensure accuracy. line is 5cm

shoe sizing:

1. place cut edge of paper against wall and have child stand on paper with heel against the wall.
2. using the foot shaped guide, measure to the tip of the big toe on their longest foot (right and left are typically different sizes).
3. select the size closest to the very tip of the toe.

tab sizing:

1. foldover tab sizing guide at line labeled floor and place against base of child's foot.
2. wrap guide around the instep, or girth, of foot.
3. select the size closest to the middle of the foot. the example above would be a medium tab.
